

**FAIRFAX CONNECTOR ROUTE AND SCHEDULE CHANGES  
COMING IN OCTOBER  
AFFECTING  
NORTH COUNTY ROUTES 504, 574, 929 & 989  
&  
SOUTH COUNTY ROUTES 123, 310 & 301**

**NORTH COUNTY CHANGES EFFECTIVE SUNDAY, OCTOBER 1, 2006**

Route 504: This route will be discontinued. Alternatives to 504 are Route 574 and those listed in Attachment A.

Route 574: The routing within Reston and the schedule are changed. Additional weekday trips and weekend service are added. At the Reston Town Center Transit Station, Route 574 will be in Bay J instead of K.

Route 929: Routing within Franklin Farm and Chantilly Highlands is changed so that buses operate the route in the same direction in the mornings and afternoons, and the schedule is changed accordingly. This change anticipates the effect that construction of a median on Centreville Road south of McLearen will have on the current routing.

Route 989: The route is split into two new routes numbered 595 and 597 with new schedules for each. Route 595 will serve the Pentagon, and Route 597 will serve Crystal City. At the Reston East Park-and-Ride, 595 will be in Bay E and 597 in Bay D. Route 595 will still use Bay L3 at the Pentagon. Maps, schedules and other information on the new routes can be found at [www.fairfaxconnector.com](http://www.fairfaxconnector.com) under "Service Highlights".

**SOUTH COUNTY CHANGES EFFECTIVE SUNDAY, OCTOBER 15, 2006**

Routes 123 and 310: These two routes are connected at the Franconia-Springfield Metrorail Station to form one route numbered 310 with a new schedule. The schedule retains the current Route 123 schedule and modifies the current Route 310 schedule to connect with the 123.

Route 301: Service on Lantern Place will be discontinued. Instead, buses will enter and exit the Vantage community using Vantage Drive and Rolling Stone Way. The Vantage and Hayfield Farm communities will be bypassed by the last westbound trip at 9:35PM due to lack of ridership in these communities at this time of night.

New schedules are expected to be available in print and at [www.fairfaxconnector.com](http://www.fairfaxconnector.com) under "Schedules and Maps" at least 10 days before the effective dates given above.
